

Amy McWhirter

Event Emcee | Host & Moderator | Keynote Speaker

Energy that Connects. Presence that Moves.

At age five, Amy wrapped a boa constrictor around her neck and never looked back. Soon she was dancing as a bumblebee ballerina and placing second in the National Spelling Bee, discovering early that the stage is where magic meets meaning.

Along the way came self-doubt and pressure to prove herself, until she learned that fulfillment isn't found in comparison, but in connection and listening to the inner voice. Today, Amy channels that truth as a keynote speaker, emcee, host, and moderator who transforms content into connection and inspires audiences to Be Present. Believe. Be Authentic.

A University of Michigan honors graduate with a Bachelor of Science in Biopsychology and a pre-med foundation, she chose to follow her inner signal, blending human insight, storytelling, and improv to create embodied experiences that move people. Trusted by global brands across tech, healthcare, finance, and beyond, she helps audiences trust their instincts and lead with authenticity that moves the world.

KEYNOTE SPEAKER

BE PRESENT. BELIEVE. BE AUTHENTIC.

Own your presence. Trust your rhythm. Lead with soul.

KEYNOTE SPEAKER REEL

Through embodied experience, powerful storytelling, and audience interaction, Amy helps leaders and teams access presence, belief, and authenticity - so they can hear what's true beneath the outside noise, trust themselves, and act with clarity and courage.

In this deeply human keynote, audiences reconnect with their inner voice, trust their rhythm, and lead from the inside out.

Authenticity isn't about striving or performing. It's about aligning with your truth, showing up fully, and creating genuine connection.

THREE BE's of GENUINE CONNECTION

BE PRESENT • SPELLING BEE

Quiet the noise and notice what is actually happening. Show up fully alive. Presence fuels engagement, deepens trust, and strengthens resilience. It is felt.

BELIEVE • BUMBLEBEE

Trust the quiet inner signal beneath the noise. Rewrite the limiting narratives that keep you small, take bold steps, and act from authentic power.

BE AUTHENTIC • LET IT BE

Let what is true in you come through. Bring your unique voice, gifts, and light fully forward. When you lead from that truth, trust follows and connection deepens.

WHAT AUDIENCES TAKE AWAY

- A powerful three-part framework for showing up with presence, belief, and authenticity.
- The BeLIEve Breakthrough™ to spot and rewrite limiting beliefs and act from authentic power.
- The Authentic Rhythm Method to make aligned, intuitive decisions that resonate and last.
- Strategies that help audiences move from comparison and proving to genuine connection, trust their instincts, and lead boldly through truth, not perfection.

"Amy's message is powerful – delivered with deep insight, energy, wit, and wisdom. It's the kind of talk that stays with you long after it ends. There were so many moments where I found myself saying "yes!!", laughing out loud, and even tearing up. Her delivery was just phenomenal."
