RESIDENTIAL PROJECTS IN AL FURJAN, DUBAI

Al Furjan is a residential property development near Jebel Ali in the UAE. Nakheel is the master developer of this project.

The Al Furjan development will comprise of four specific villages: North, South, East and West, that will share the same streetscape designs, network of pathways and access to amenities.

Each village will have its own distinct characteristics that compliment the other and create a balanced variety of experiences.

The project once finished will include 4,000 Houses, Apartments, Hotels and Commercial properties and mixed use plots.

Covering a massive area of 5.6 million square meters.

The project was projected to cost US\$ 1.5 billion.

Property is available for viewing today.
