Dear Faithful Partners,

2 Corinthians 9:8 "And God is able to make all grace abound toward you; that ye, always having all sufficiency in all things, may abound to every good work."

As we look back over the past few months, I am reminded again of how faithful God has been to us and to this ministry. Twenty-one years ago, we began with a desire to help young mothers in crisis, never knowing all that God would do through the years. What a blessing it is to see the fruit of that work continuing into another generation.

Our first mother was Ana Maria, who was just 17 years old. We often cared for her baby on and off for several years. Her daughter, little Ana, has grown into a wonderful young woman who loves the Lord. She got saved and baptized, married a wonderful Christian man, and they recently had a baby boy named Emanuel. We feel like everything has come full circle, and I can't express how precious that is to us.

This Easter Sunday, we held our traditional children's Easter egg hunt, which the kids really enjoy. It's also something their parents enjoyed at the church when they were younger. This event isn't very common in Romania, so it's a new experience for them, and they truly love it. Right is picture of the kids with their bags of Easter candy.

I'd like to thank everyone who contributed to the renovation of our missions apartment. We finally completed it in May, and it looks fantastic! The project took a little longer than I anticipated—especially as I've gotten older and things don't happen as quickly as they used to. However, we have been able to put it to good use. We've had some families come and stay, and it has been a real blessing to the ministry.

This Spring, Brenda organized a 10-week children's Sunday school promotion. The children earned stars or stickers to put on a chart with their names, receiving points for bringing their Bibles, attending class, bringing a friend, listening to the stories, and helping with clean up. At the end of the contest, depending on how many points they earned, they received a special gift. Right is a picture of all the kids with their gifts.

As I look at these pictures, I am reminded that ministry is really about people. Buildings can be built, renovated, programs can be organized, and activities can come and go—but the lives that are touched along the way for the Lord are what truly matter.

"All of this is possible because of your faithful partnership of prayers and financial support."
