IT'S GOD'S IDEA

If you've listened to any of the videos on my website,
you've heard me say many times that the Gospel of the Kingdom, that Jesus preached, is completely supernatural, and God is the only one who can do it.

In John 6.63 Jesus said:
My words are Spirit and they are life. You're flesh profits absolutely nothing.

And the Apostle Paul said,
The mind set on the flesh produces only death. Romans 8.6

Most of modern Christianity reads the Bible to find out what to do and studies principles to try to apply with our best natural effort.
We try our very best effort to amend our spiritually dead nature inherited from Adam to be as much like Jesus as our flesh is able. And most people consider this living the Christian life.

Jesus said in John 6.49
“I am the bread of life. "Your fathers ate the manna in the wilderness, and they died. This is the bread which comes down out of heaven, so that one may eat of it and not die."
“I am the living bread that came down out of heaven; if anyone eats of this bread, he will live forever; and the bread also which I will give for the life of the world is My flesh.”
“Truly, truly, I say to you, unless you eat the flesh of the Son of Man and drink His blood, you have no life in yourselves."

In other words, you can praise me and admire this miraculous bread that I have provided for you today. But if you don't swallow it for yourselves, and accept it as your new reality, you don't have any life within you. Which is what I came to accomplish.

Christianity is not a religion. It's God, imparting His eternal life into natural men and redeeming them into His family..

God originally created man to be filled with the same life that He has and be the expression of His life, His love and His kingdom in this earth.

This is God's remedy for our spiritual separation from Him.

By His doing you are in Christ Jesus, who became to us wisdom from God, and righteousness and sanctification, and redemption. 1 Corinthians 1.30

Whoever is joined to the Lord is one Spirit with Him. 1 Corinthians 6.17

God's intention was not an improved and reformed version of sinners. It was a complete recreation, an incarnation of His Spirit within all of His children.

2 Corinthians 5.17+21 states that:
If anyone is in Christ, he is a completely new creation.
And He made Him who knew no sin to be sin on our behalf that we would become the righteousness of God in Christ.

Our Spirit is holy and righteous and completely one with God, because it's actually His Spirit within us.
In the upper room, Jesus breathed on His disciples and said receive My Spirit. It was the same way that God originally created Adam by breathing His spirit into a pile of mud. Genesis 2.7

Jesus told Mary in the garden after the ressurection, "go and tell my brothers that I am returning to my God and their God, to my Father and their Father." John 20.22

Jesus' supernatural sacrifice recreated us back to the original oneness with God, that Adam possessed.
In the garden, God was Adam's reality, his life, his health, and every provision for Adam to fulfill his calling as a Son of God.

God was not interested in having a long distance relationship with man and receiving homage from afar.
He adopted us into His family by Christ's supernatural sacrifice and our death and resurrection with Him. Romans 6.3-7

1 Corinthians 1.9 reads:
God is faithful, through whom you were called into fellowship with His Son, Jesus Christ our Lord.

Romans 8.15 declares:
you have not received a spirit of slavery leading to fear again, but you have received a spirit of adoption as sons by which we cry out, “Abba! Father!” The Spirit Himself testifies with our spirit that we are children of God, and if children, heirs also, heirs of God and fellow heirs with Christ.

Paul prayed for the Ephesian believers and included all of God's children in that prayer.
He prayed:
May He grant you out of the riches of His glory, to be strengthened *and* spiritually energized with power through His Spirit in your inner self, [indwelling your innermost being and personality], so that Christ may dwell in your hearts through your faith. And may you, having been [deeply] rooted and [securely] grounded in love, be fully capable of comprehending with all the saints (God’s people) the width and length and height and depth of His love [fully experiencing that amazing, endless love]; and [that you may come] to know [practically, through personal experience] the love of Christ which far surpasses [mere] knowledge [without experience], that you may be filled up [throughout your being] to all the fullness of God [so that you may have the richest experience of God’s presence in your lives, completely filled and flooded with God Himself]. Ephesians 3.17 amp

Our natural senses cannot comprehend all the fullness of God.
But because of Christ's, supernatural sacrifice and God putting His Spirit within us, we can live by faith in His presence in unbroken fellowship every day for the rest of our lives. Romans 6.11amp

Colossians 2.9 explains:
For in Him all the fullness of Deity (the Godhead) dwells in bodily form [completely expressing the divine essence of God]. And in Him you have been made complete [achieving spiritual stature through Christ], and He is the head over all rule and authority [of every angelic and earthly power].

Satan cannot stop these things that God has already done. He has no authority to take us out of our oneness with God that he has created for us.
Romans 8.35
So he attacks our identity. He tries to convince us that this oneness with God is way beyond our ability to accomplish.
But the truth is, these things were not accomplished by our ability, but by Christ's perfect sacrifice and His fulfillment of the laws demands. He paid our penalty and made us one with He and the Father. John 17.22

God is not asking us to struggle to overcome and improve our old spiritually dead nature that we inherited from Adam and Eve. Our old dead nature was crucified with Christ and didn't make it out of the grave.

He's asking us to accept His perfect supernatural work that only He can do, to redeem us back into His family, as His children, His heirs, and joint heirs with Christ, sharing His inheritance with Him.

Our oneness and fellowship with God is God's idea. He has done everything necessary to impart His Spirit to us and adopt us into His family.

Let me share one final statement of reality from God to confirm this.

Grace and peace be multiplied to you in the knowledge of God and of Jesus our Lord; seeing that His divine power has granted to us everything pertaining to life and godliness, through the true knowledge of Him who called us by His own glory and excellence. For by these He has granted to us His precious and magnificent promises, so that by them you may become partakers of *the* divine nature... 2 Peter 1.2

We would be extremely foolish to accept religion as a substitute for God's supernatural redemption and adoption into His family.

God bless you.
