Verse 6

And as he said these things, I felt my soul ascend and saw the first great bough that bears the fruit of love and compassion, the foundation of all things.

And I knew that before you can eat of this fruit and gain its nourishment, you must be free of all judgment and wrath. When you have freed yourself of these burdens, you may eat of the fruit and so gain the love and compassion that will allow you to pass the first of seven guardians.

I heard the voice of the Lord of Wrath calling to me, but I denied him and he had no part in me.

Verse 7

*So I saw my soul ascend again and he showed me the second great bough,
weighed down with the fruit of wisdom and understanding.*

*And I saw that before you can taste of its bounty, you
must be free of all ignorance and intolerance. Only
then can you eat of the fruit and so pass upward
unhindered through the second of the seven gates.*

*And I heard the voice of ignorance call to me, but I
knew him not, and so my soul did thus unchallenged.*

Verse 8

*Then my master showed me the third great bough,
which bears the fruit of honor and humility.*

*Only when free of all duplicity and arrogance
may you partake of its nourishment.*

*And Arrogance called to me, saying, , You are not
worthy, go back. ‘ But my soul was deaf to him, and
so moved onward and upward into increasing light.*

Verse 9

*And then there came the fourth bough, blossoming
with the fruit of strength and courage.*

*And I heard him tell me that to eat of this fruit, you
must have freed yourself from the weakness of the flesh
and confronted and conquered the illusion of your fears.*

*And the Master of the World stood before
me and claimed me as his own, but I
denied him and he had no part in me.*

Next steps

Playfulness

Be playful

„I saw you, but you never really saw me or knew me. You mistook the cloak I was wearing for my true self, so you didn't recognise me. Having said all this, the Soul went away joyfully.”

Mary 15:6-12

Unlocking a region of humanity

Meditation field (green):

- You unlock your region of humanity
- As long as it is unlocked, the guardian would let you pass through the gate.

... and losing access through the gate

Bad habits field (red):

- Your region of humanity is blocked again.
- As long as it is blocked, the guardian would not let you pass through the gate.

... hence, meditate again...

Meditation field (green):

- You unlock your region of humanity
- As long as it is unlocked, the guardian would let you pass through the gate.

... until it works

Decision field (white):

- Access granted only when your region of humanity is unlocked.

Blessing

*When leaves are plentiful and no light illuminates a way to ascend
May God embrace you with love and compassion as foundation for living.*

May she guide you by wisdom and understanding.

And may they touch your light with their light recalling your nature.

May it be so

May I have the courage today
To live the life that I would love,
To postpone my dream no longer
But do at last what I came here for
And waste my heart on fear no more.
