The Engineering Behind Premium European SPC

PREMIUM QUALITY EUROPEAN PRODUCTS

Provide your clients premium European SPC floors & walls that portrays luxury, superior quality, and lasting durability. Our dedication to utilizing top-grade raw materials and advanced manufacturing sets us apart from the competition — all while staying competitive with Asian imports.

ULTIMATE SHIELD SPECIAL SURFACE COATING:

Sets a new industry benchmark in surface protection. This Special UV Coating Technology provides superb performance in Scratch, Stain and Wear Resistance (10x Stronger Resistance then regular UV). Available on all our products.

ENDURANCE TECH CORE

Built with proprietary technology, our SPC waterproof core delivers over 2000kg/m³ density for superior strength, impact resistance, and lasting durability. Made from 70% natural stone, virgin American PVC, and high-grade polymers, all fused with advanced extrusion, our Core outperforms competitors for next-level performance.

PRODUCTION

State of the art, 300,000 sqft Factory located in Bursa Turkey. Equipped with fully automated, high output production lines and a talented technical team, capable of producing, an annual 85 million sqft (8 mil. m2), of high quality SPC Floor & Wall products. Our company places a high emphasis on sustainable production, by utilizing high tech recycling systems which produce zero manufacturing waste. With a recent 6 Mw solar system investment, 100% of our factory will soon operate using Green Renewable Energy.

UNMATCHED LEAD TIMES & SERVICE

Large Inventory is maintained in our combined 150,000 sqft distribution centers, located in Toronto Canada & Statesboro GA USA; ready to reach our North American clients within days. Our offices can handle all logistics and customs to your door—so you can focus on selling.
