

Junior I.P.A Activity

Paper Weave Pumpkin

HALLOWEEN PAPER WEAVE PUMPKIN

1 GATHER YOUR SUPPLIES

You will need orange and black paper, brown and green card, googly eyes, glue and scissors.

2 CUT THE PUMPKIN SHAPE

Cut out a pumpkin shape from orange paper.

3 MAKE THE SLITS

Cut vertical slits across the pumpkin shape, leaving a small border at the top and bottom.

4 START WEAVING

Slide a black paper strip through the slits, over and under.

5 CONTINUE WEAVING

Add more black strips, alternating over and under, until the pumpkin is filled.

6 TRIM THE EDGES

Trim the excess black strips from the sides.

7 ADD THE FACE

Glue on googly eyes and add a nose and mouth from black paper.

8 ADD THE STEM AND LEAF

Cut a stem from brown paper and a leaf from green paper. Glue them to the top.

9 ADD THE TENDRIL

Add a curly green tendril (rolled strip of paper) and glue it in place. Your paper weave pumpkin is complete!
