## DIY Newspaper Ghosts

# DIY NEWSPAPER GHOSTS

USING THINGS YOU ALREADY HAVE AT HOME!

1

### MATERIALS

You only need newspaper, tissues or paper towels, string or a rubber band, a marker and scissors.

2

### MAKE THE HEAD

Crumple newspaper into a ball to make the ghost's head.

3

### ADD THE BODY

Cover the head with a tissue or paper towel and tie it with a rubber band or string beneath the head.

4

### CREATE THE SHAPE

Tear strips of tissue or paper towels and layer them around the body. Let the strips hang to give a flowing, spooky look.

5

### ADD A FACE

Use a marker to draw the eyes and mouth.

6

### ADD A HANGING LOOP

Tie a string on top so you can hang it.

7

### FLUFF AND ADJUST

Separate the strips and slightly tear them for a more realistic, ghostly effect.

8

### FINISHED!

Make a few in different sizes and hang them around your home or outside for a spooky Halloween decoration!

Ask an adult to help with scissors.
