ANNUAL REPORT

Published October 2026

Message from Carberry & Area Community Foundation Chairperson

Year after year, this report shares important numbers demonstrating careful and committed stewardship and steady progress, and it's a great privilege to continue this tradition and report on another remarkable year for Carberry & Area Community Foundation. In 2025, the CACF surpassed $5.3 million in total assets, and granted over $215,000 for local initiatives and nearly $28,000 in scholarships. These are real dollars making a real impact on the livelihood of our community, present and future. In addition, new funds were created to increase support for local needs, including improving quality of life for people living with intellectual and physical disabilities and students with special needs within the educational system.

The CACF board and staff had an eventful year, with specific highlights for 2025 as follows:

- Hosted 30 attendees from 10 community foundations at the Endow Manitoba regional meeting
- Attended the Community Foundations of Canada conference in Halifax NS
- Participated in an adaptive bike presentation & celebration for Larry at Carberry Collegiate in partnership with Carberry Collegiate staff and students, Beautiful Plains School Division, Children's Rehabilitation Foundation, Freedom Concepts, Larry and his family
- Hosted our annual Community Impact Celebration
- Continued our collaboration with local businesses to increase stretch funding beyond the commitment of The Winnipeg Foundation and Government of Manitoba as part of the Endow Manitoba Giving Challenge
- Hosted our annual Memory Tree of Lights tree lighting ceremony

While it is always great to connect with community members through these various activities, it is the impact of the CACF that truly inspires me. Larry's story, featured in the For the Love of Community campaign (www.fortheloveofcommunity.ca) is proof of what we can achieve together.

It's an honour to work with a dedicated and hard-working group of community volunteers on the CACF board, and we are grateful for the leadership and commitment of our Executive Director, Brianna Renwick.

To our donors and community partners, thank you. Your support and contributions will continue to strengthen the CACF and our community for the years to come.

Tyson Fisher
