Presidential Letter

Dear Neighbors,

I am pleased to share updates from our recent productive monthly meeting. We were delighted to welcome guests from the Oakdale Neighborhood Association, who joined us to observe how our association operates and to exchange ideas for strengthening our communities.

Our Neighborhood Watch Captain, Marja F. provided an important update: the official LMPD Neighborhood Watch sign is now posted at the corner of Bicknell Avenue and Hazelwood Avenue. This visible marker reinforces our commitment to safety and signals that residents are actively looking out for one another.

Discussion has also begun on establishing bus stop ambassadors to help protect the safety of our children as they leave for and return from school. This initiative reflects our shared priority of keeping young residents secure during their daily routines.

We continue to seek more neighbors willing to join the Neighborhood Watch. If you are interested, please reach out to Marja F. for details. Stay tuned for the next Neighborhood Watch activation meeting dates—we will share them as soon as they are confirmed.

Our neighborhood has seen meaningful improvement, with less drug activity and those previously engaged in such behaviors no longer residing here. These positive changes are a testament to the collective efforts of residents who care about our shared neighborhood.

As we move into the fall season, we look forward to the fun and festivities that the coming months will bring. If you would like to get involved with any upcoming activities—or if there is an activity you would like the Neighborhood Association to support—please let us know. Your ideas and participation help make Hazelwood stronger.

Thank you for your continued commitment to our neighborhood.

Sincerely,
Destiny Daniels
President

BUSINESS *SPOTLIGHT*

JEFFERSON COUNTY PUBLIC SCHOOLS

My name is Linda McDaniel, and I am a Lead Nutrition Assistant at Gutermuth Elementary School.

I have worked at this location for two years.

What I like most about my school is the people and the students. I enjoy working with my coworkers as a team, and I take pride in making sure our students receive good nutritious meals and good customer service.

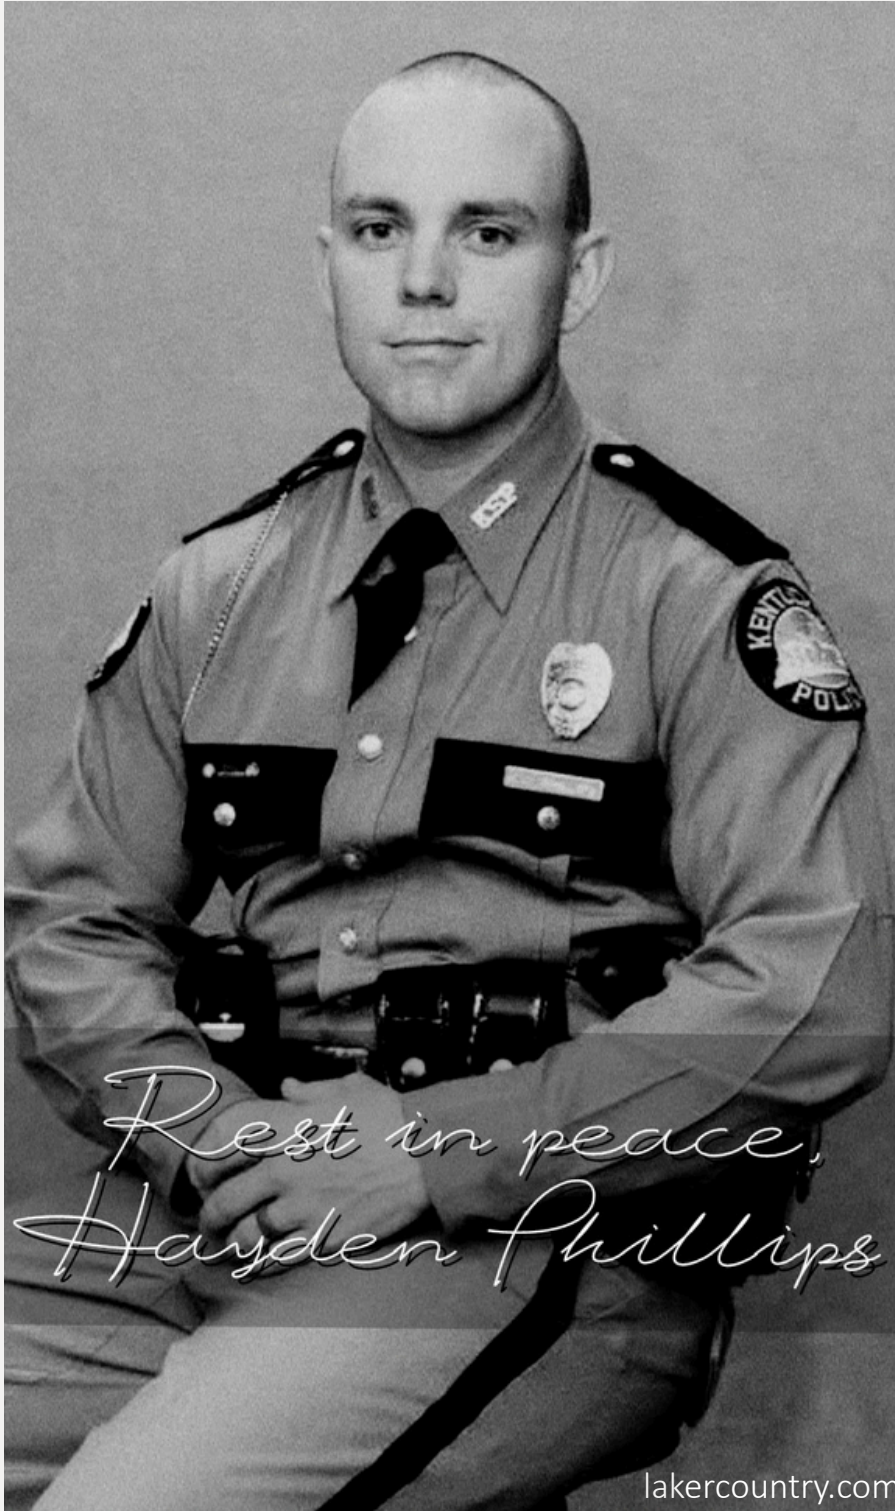

The Hazelwood community can help by volunteering, providing needed resources, mentoring students, and supporting programs that help families. Most importantly, we can encourage our children and let them know that the community cares about them and wants to see them succeed.

A fun fact about me is that I love trying new recipes, and I love singing in my church choir. Both are things that bring me a lot of joy.

The most exciting thing for me has been seeing the students come back and getting into a good routine. I enjoy seeing everyone coming together working as a team to make sure our students are safe and have a positive start to the school year.

I'm looking forward to growing, learning and sharing new ideas and working together as a team to make this a successful school year. Most importantly, I'm looking forward to continuously serving our students and making a positive difference.

On September 28th, Officer Phillips was fatally shot during a traffic stop on Interstate 65 in Warren County, Kentucky. He leaves behind a wife and three children.

The Louisville Metro Police Department safely apprehended and arrested the suspect of the shooting.
