
WHAT TO EXPECT IN 2021

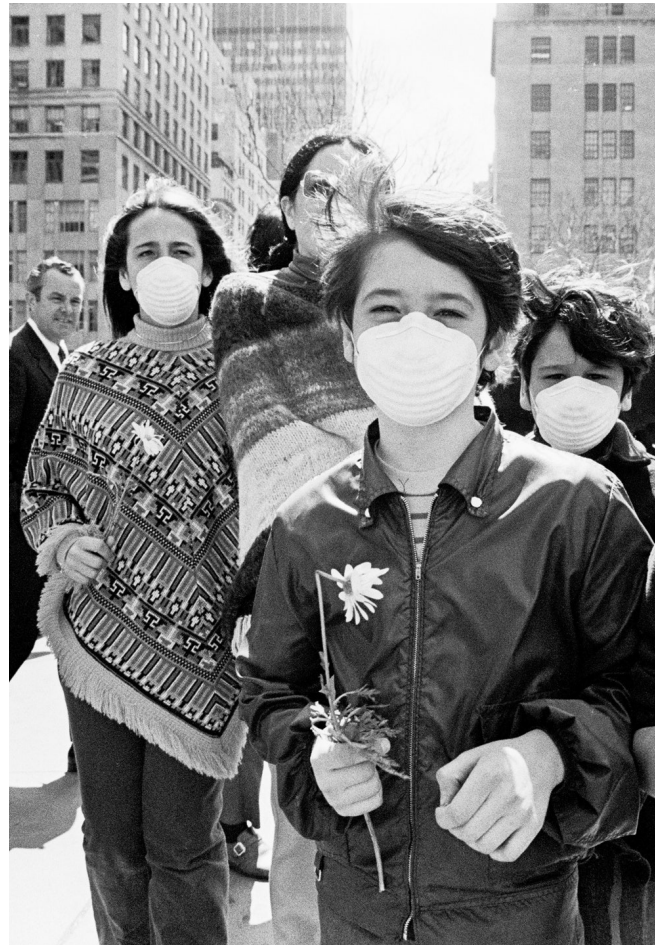

Everyone wants something different in 2021. 2020 has been an exhausting year. It has truly been a year of patience, reflection and trauma. Wanting something different in 2021 is **NOT** the same as what to expect in 2021.

To be honest with you, you can expect **MORE OF THE SAME!** I know this does not bring hope but it does bring insight into the actual reality. COVID-19 has changed everything we do.

Just because we are on the verge of getting a vaccine it does not mean we will return to the way things used to be immediately. Covid-19 is **STILL** here. It is **NOT** going anywhere.

A vaccine will help you become immune to Covid-19 but it does not remove the circumstances the virus has created.

The virus has created circumstances of isolation, uncertainty, anxiety and lack. This atmosphere does not go away quickly. It's going to take time to get people to trust the results of the vaccine. It's going to take time for the economy to be restored.

**MORE OF
THE SAME!**

It's going to take time for resources to be abundant again. When an old season ends a new season begins. However, with every new thing there is a **BEGINNING**.

WE ARE IN THE BEGINNING OF A RECOVERY.

Ecclesiastes 3:3 says, *"A time to kill, and a time to heal; a time to break down, and a time to build up."*

In 2021 whatever is broken, **MEND IT**. What is torn down, **REBUILD IT**. Whatever has been hurt, **HEAL IT**. God allowed

a lot to be killed and torn down in 2020. 2021 is the time to **RESTORE**.

So expect more of the same regarding the **ATMOSPHERE** of the world. Even though the atmosphere may be the same, your environment can be different. You control your environment by the **DECISIONS** you make. Your decision to establish a **NEW NORMAL** for yourself and your family will enable you to reap the goodness that is hidden in 2021.
