
STUDY YOUR FINANCES DAILY

You cannot become proficient in what you ignore. Majority of the population do not review their finances daily. There are many reasons this doesn't happen but that is a teaching for another day.

The abundance of debt, financial mismanagement, over spending and the lack of resources is proof that people do not study their finances daily. Your finances deserves you attention everyday.

**Are you
focused on
your
finances?**

HERE'S WHY

- Is the tax structure changing? Yes.
- Has our economy changed? Yes.
- Is inflation occurring? Yes.
- Is it harder to get goods and services? Yes.
- Has the job market changed? Yes.
- Is the government broke? Yes.

All of these factors affect your finances directly or indirectly. Reviewing your finances **DAILY** helps you to avoid suffering a financial loss from circumstances that are out of your control.

WHAT IS MISMANAGED WILL BE LOST

Don't let this be you.

Proverbs 13:4 says, "*The soul of the sluggard desireth, and hath nothing: but the soul of the diligent shall be made fat.*" People who are **DILIGENT** exert constant effort in accomplishing something.

You need to be diligent in managing and studying your finances. The reward for diligence is **ABUNDANCE**. If you practice diligence you will avoid loss, lack, overspending and waste. In a time such as this, it is imperative that you review your credit score, credit limits, bank accounts, investments, stock portfolios, businesses, credit report, etc.

Reviewing these items **DAILY** will ensure that you survive the economic crisis that the pandemic has created. Read this teaching on management to further your knowledge base. [Click here.](#)
