
PLAN FOR A PREDICTABLE TOMORROW

With the uncertainty that Covid-19 brings, stability, certainty and predictability is **NOT** something to take for granted. Predictability is an asset during a time such as this.

To make your tomorrow predictable it must to be scheduled by the things you do today. The investments you make will profit you in the future. They will

either reward you with goodness or punish you with consequences.

These investments are called **SOWING SEEDS**. Whether you realize it or not you are sowing seeds that are building the events of your tomorrow. I'm asking you to be **INTENTIONAL** about the things you do.

Stay away from what is evil. Reject what is wrong. Walk away from the temptation of doing what is wicked. These seeds are being planted into the future of your tomorrow. If you focus on doing what is good, goodness will **COME BACK** to you **MULTIPLIED**.

**A GOOD DEED
NEVER GOES
UNREWARDED.**

Galatians 6:7 says, "*Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap.*"

It does not matter how the circumstances around you are going. If you are sowing good seed into great soil **YOUR WORLD** will be filled with prosperity and goodness. **YOU CONTROL YOUR WORLD BY THE SEEDS YOU SOW**. You will receive a harvest on everything you do...**GUARANTEED!**

With the unemployment rising at an alarming rate, businesses closing and the pandemic still present, you need stability and predictability. If you can predict your future you will live in peace. Read the teaching "[*sowing is different from investing*](#)" for further insight.

THREE REASONS YOU WANT A PREDICTABLE TOMORROW!

1. You will have **PEACE** when life is predictable.
2. You will **REDUCE** the stress of uncertainty when life is predictable.
3. It is easy make **NEW** plans when life is predictable.
