
THE SIZE OF YOUR SEED MATTERS

Want a bigger harvest? You can have it if you are willing to sow a bigger seed. Sounds simple, yet it's hard for many people to do. Let me say it like this, the **MORE** you do for **PRODUCTIVE** people, the **MORE** God will do for you.

**SELFLESS
PEOPLE WILL
NEVER RECEIVE
LESS.**

People who receive a major harvest are thoughtful, considerate and most importantly **SELFLESS**. When you are able to give more to people **WITHOUT** restrictions and

limitations that is when God will give to you in the **SAME** measure.

Luke 6:38 says, "*Give, and it shall be given unto you; good measure, pressed down, and shaken together, and running over, shall men give into your bosom. For with the same measure that ye mete withal it shall be measured to you again.*"

If you can get pass your jealousy and insecurities and love others more than you love yourself, trusting that God will give you more than enough it will be easy for you to give **WITHOUT MEASURE!**

It is foolish to complain about what you are getting back in this world if you are **NOT** initially giving much. When you put a numerical value on what you give you prevent yourself from receiving a harvest without measure. People who are wealthy give to **FULLFILL**.

Fulfillment is **NOT** a number. It is a feeling! To receive a harvest that is fulfilling and sustaining, **GIVE WITHOUT MEASURE**, Love without judgment, learn without limits, teach without restrictions and forgive without conditions.
