
DON'T DO THESE THREE D'S

Doing these three D's will guarantee one thing...**LOSS**! The experience of a loss happens because people have dishonored, disrespected or disobeyed something or someone.

Dishonor and disrespect go hand in hand. It is the showing of a **LACK OF WORTH** and **VALUE**. Whatever you do not value will come to ruin. Whatever you do not treat as worthy will walk away from you.

**WHAT HAVE
YOU LOST
RECENTLY?**

Disobedience is the refusal to comply with an instruction that is given to you. Disobedience does not result in a loss until you disobey someone with authority over you. The acts of dishonor, disrespect and disobedience will always produce **POVERTY!**

If you have lack in your life it is because you have activated one or all of the three D's. John 14:15 says, "*If you love me, you will obey my commands.*" Disobedience, dishonor and disrespect shows God how much you **DO NOT LOVE HIM.**

When the Lord sees how much you do not love Him will He bless you? No. Will He prosper you? No. Will He exalt you? No. The act of dishonor, disobedience and disrespect is a sure way to experience **POVERTY, LACK** and **HARDSHIP.**

Doing things your own way and **NOT** the Lord's way will put you in a position to exhibit dishonor, disobedience and disrespect to King Jesus. Humble yourself and submit to the instructions and will of the Lord and everything will go well for you.

**OBEDIENCE TO
THE LORD IS
THE SEED FOR
DIVINE
ABUNDANCE.**
