

DEPEND ON THE BANK??

When you need money, banks won't give it to you. When you do not need money that's when banks will give it to you. Isn't this an odd statement? Of course it is. This is why you cannot depend on banking institutions.

Banks are good for storing your money but they are **NOT** to be dependent upon. Rather than depending on your banking institution, **BE** the financial saving grace you need and **BE YOUR OWN BANK**.

**BE YOUR
OWN BANK.
LOAN FROM
YOURSELF!**

A bank holds your money when you need it. **YOU CAN DO THAT!** A bank pays you a small annual interest on your money. **YOU CAN DO THAT!** A bank loans you money with interest.

YOU CAN BORROW FROM YOURSELF WITHOUT INTEREST.

You can use a credit card for emergencies and pay it back at your own pace.

I'm not saying not to utilize banks. I'm saying **NOT** to depend on them. Use the banking system to your advantage, not your deficit.

Whomever you depend on, you become a servant to. Proverbs 22:7 says, "*The rich ruleth over the poor, and the borrower is servant to the lender.*"

Become the master over your own finances. Do not voluntarily give your life to another banking institution. You are a Kingdom citizen who is destined and purposed to walk in dominion over the earth. Do not subject yourself to the life of a servant by being a borrower to a third party.

BE your own bank!
