People will put the weight of the world on your shoulders, hoping that it will crush you. God will put the weight that you can carry on your shoulders, knowing that you have been equipped and tooled to successfully **MANAGE** it.

King Jesus felt the pressure of carrying the sins of the world on His back. This weight was not too much for Jesus because His Heavenly Father empowered Him for the assignment.

Even though King Jesus cringed about dying on the cross in the garden of Gethsemane He knew the pressure of the assignment was not too big for Him. 1st Corinthians 10:13 says, "There hath no temptation taken you but such as is common to man: but God is faithful, who will not suffer you to be tempted

above that ye are able; but will with the temptation also make a way to escape, that ye may be able to bear it."

The Lord will never give you more than you can bear, **BUT** people will.
