**DISTRACTIONS
DELAY THE
PROGRESS OF
YOUR FUTURE.**

WISDOM NEWSLETTER

Distractions hinders a disciplined person, not the devil. Distractions frustrate a disciplined person, not the devil. A distraction is an unplanned event or circumstance that takes you away from your schedule.

This was the temptation the devil used against Jesus in Mathew 4. He wanted to distract Jesus from following the path that was chosen for Him by His Heavenly Father. The devil offered Jesus the glory of the world **WITHOUT** going through the pain and suffering of the cross.
