
READ, STUDY AND APPLY

If your life is complacent and stagnant it is probably due to you **NOT** reading, studying and applying vital information. While reading, studying and applying vital information moves the needle in your life, it is important to direct your efforts in the right direction.

The information you should be pursuing should impact your thinking, values, culture and character. There are millions of books to read that will aid you in doing this. However, the **BEST** book to read is the **BIBLE**.

The Bible is the only book that can give you **ACCURATE** instructions and solutions 100% of the time. Reading, studying and applying are separate functions in the Kingdom of God.

READING the Word of God

EXPOSES you to its information.

STUDYING the Word of God causes you to **KNOW** the information.

APPLYING the Word of God enables you to **BENEFIT** from the information.

Imagine receiving **ACCURATE** solutions to every problem in your life all the time. Imagine knowing how to address every circumstance that shows up in your life **CORRECTLY** all the time.

God told us that if we read, study and apply His Kingdom laws we are guaranteed to receive prosperity.

Joshua 1:8 says, *"This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein: for then thou shalt make thy way prosperous, and then thou shalt have good success."* You can change the trajectory of your life if you prioritize reading, studying and applying the Word of God.
