
SLOW MONEY IS THE BEST MONEY

You may be thinking, what is slow money? How is slow money the best money? Before these questions are answered you must understand the definition of fast money. Fast money is gained **WITHOUT EFFORT OR ATTAINED ILLEGALLY.**

Fast money is short term gratification. However, it has no longevity attached to it. Fast money will leave you broke and poor over time. Drug dealers who make fast money, lose it

**SLOW MONEY IS
THE BEST
MONEY
BECAUSE IT
DOESN'T LEAVE
QUICKLY. - F.H.**

quickly. Bernie Madoff, the Wall Street tycoon who stole people's retirement ended up in prison, broke and poor.

People who win the lottery lose their winnings within two years per statistics because they lack the management skills and financial literacy to keep it. God does not advocate for us to receive fast money. His desire is for us to receive **SLOW MONEY**.

Slow money is attained by giving **EFFORT**. Slow money last longer because you appreciate it more. Slow money is valued more because it was not easy to get. Slow money does not slip through your fingers. It is **KEPT** in your pocket.

Proverbs 13:11 says, "*Money that comes easily disappears quickly, but money that is gathered little by little will grow.*"

Working a job is slow money. Investing in assets is slow money. Building a business is slow money. Even though the attraction for wealth and riches is alluring, do not let it destroy you. Do things the right way. It may take a little longer than you like but it will be blessed. It is better to receive something slow and blessed than to get something fast and cursed.
