

AMERICA IS REAPING WHAT IT SOWED

The unfortunate massacre that happened in Texas is tragic, demonic and heartbreaking. Nineteen children and two teachers being killed is horrific. These people did not deserve this. However, America has tested **GOD** in the **WRONG** way.

America has turned its back on God. America has created laws that despise Him. America has condoned perversion. America has allowed immorality to become the norm. America has chosen to worship false idols. America has chosen to trust in its own power rather than depend on the power of God.

America is **REAPING THE CORRUPTION IT HAS SOWN!** The word of God does not lie. Every man and nation will reap what it sows. Jeremiah 2:19 says, *"Your evil will bring punishment to you, and the wrong you have done will teach you a lesson.*

Think about it and understand that it is a terrible evil to turn away from the Lord your God. It is wrong not to fear me," says the Lord God All-Powerful."

Did we actually think that God would not punish America for the sins and evilness it has done against His name and His holy word? The punishment of God is **NOT** personal. It is **LAWFUL!**

When a nation rebels and turns against God He will remove His protection and covering and every evil work that was trying to happen and occur **WILL** happen. Proverbs 14:34 says, *"Doing what is right makes a nation great, but sin will bring disgrace to any people."* NCV. The mass shootings that have

occurred around the country, the violent crimes against churches, the horrific killings that occurred in schools is **AMERICA REAPING ITS HARVEST!**

If you are not a Kingdom citizen, complying with the laws of God you are **NOT** protected from His judgment on this nation. If you are not covered in the blood of Jesus, your blood may be spilled. I'm not trying to scare you but rather wake you up to the state this country is in.
