
THE CONSEQUENCES OF MISMANAGEMENT

Majority, if not all of your problems come from mismanagement. Most people do not realize this. The people who do realize this **DO NOT** know how to correct it. If you can correct what is mismanaged in your life, ninety percent of the problems will go away.

**GOD LOVES
MANAGEMENT
MORE THAN
MIRACLES.
- F.H.**

Mismanagement is **IRRESPONSIBILITY**. What you have been given is a blessing. It doesn't matter who it's from. When you have been given something you are held accountable and responsible to **MULTIPLE** it's **VALUE**. It is a Kingdom law!

Whatever is in your possession that does **NOT** become better or improved is mismanagement. King Jesus proved this to us in Mathew chapter 25 when He discussed the parable of the three talents. Reference Mathew 25:14-30.
