

DEAD LEAVES

In the fall season the leaves turn beautiful colors. However, when the leaves are not able to keep their vigor, color and softness they fall to the ground. There is a powerful message to understand during the fall season.

**A fallen leaf is
ignored,
overlooked and
thrown away.
-F.H.**

When leaves fall to the ground, they lose **VALUE**.
When the leaves lose their value they are thrown

away. People are like leaves. When people lose their value in a relationship, in the marketplace or with God they are **USELESS**.

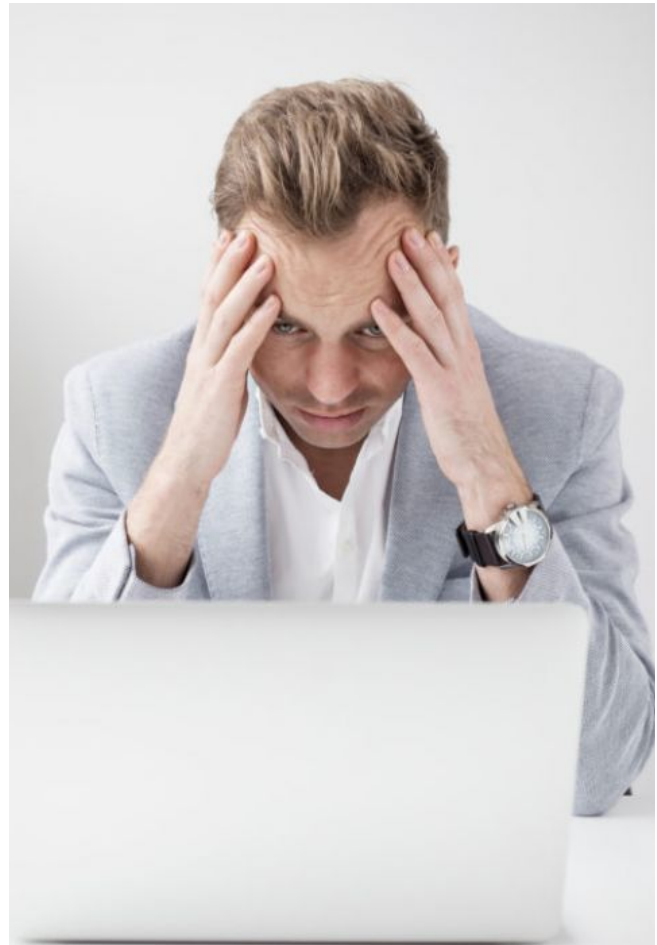

NEVER LOSE YOUR VALUE!

God uses people who are productive. Employers keep people who are useful. Marriages thrive when both parties are offering value to each other. The moment you

CHOOSE to stop improving yourself, you start declining in value.

Mathew 3:10 says, "*The ax is now ready to cut down the trees, and every tree that does not produce good fruit will be cut down and thrown into the fire.*" NCV.

Every tree (person) who stops producing fruit (productivity) will be disregarded. In life, people and organizations keep and reward what brings them value. Always look for ways to develop and

improve. It is your bread and butter to staying relevant to people and **USEFUL** to God.

GOD LOVES GOOD FRUIT, NOT SOUR GRAPES!
