

FORGET THE PAST, LIVE IN THE PRESENT, PLAN FOR THE FUTURE

There are three phases in everyone's life. Their past, present and future. How you see these three phases will determine your outlook on life.

Your past should be **FORGOTTEN** because it is irrelevant to your present. Your present is a gift that you

**IF YOU LIVE IN
THE MOMENT

should enjoy **NOW**. Your future is an opportunity to prep for what is to come.

People with wisdom take advantage of all three phases. They **FORGET** what is behind them, appreciate the **NOW** and **CREATE** the future. The Kingdom Constitution (Bible) gives us a clear perspective about these three phases of life.

PAST: Philippians 3:13 says, *"Brethren, I count not myself to have apprehended: but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before."*

PRESENT: Psalms 118:24 says, *"This is the day which the Lord hath made; we will rejoice and be glad in it."*

FUTURE: Proverbs 16:9 says, *"A man's heart deviseth his way: but the Lord directeth his steps."*

This is how you should think about your past, present and future. Doing anything contrary to what our Constitution teaches us will cause you be hindered in your journey of life.

People stay stuck because they hold on to the past. People stay miserable because they ignore the blessings of today. People fall behind in life because they fail to plan for the future.

Do not let this be you! Follow the Kingdom blueprint and make your life tremendous. For more wisdom read this teaching, "*living one day at a time*."
