

# WISDOM IS...

Wisdom is the ability to make Godly decisions. However, it is distributed in many ways. Wisdom **ALWAYS** corrects what is wrong. It is a contrast to what is familiar. It is the opposite of what is commonly accepted.

**WISDOM IS  
EVERYWHERE!  
JUST LISTEN.**

Whether you understand it or not wisdom is all around you.

Unfortunately, it is not recognized because it is packaged as **CORRECTION**. Many people despise correction or see it as being offensive.

If you are stubborn you will reject wisdom. If you are narcissistic you will reject wisdom. If you are prideful you will reject wisdom. If you are self centered you will reject wisdom.

Wisdom is received when you are willing to do more listening than talking. Wisdom is received when you are willing to learn more than teach.

People who grow in wisdom receive **MORE** than what they gave.

Listed below are vehicles describing how wisdom is given in multiple ways. I guarantee you that God is providing wisdom to you through one of these ways if not multiple. You just have to **LISTEN**!

Wisdom is the **RIGHT** answer to a question.

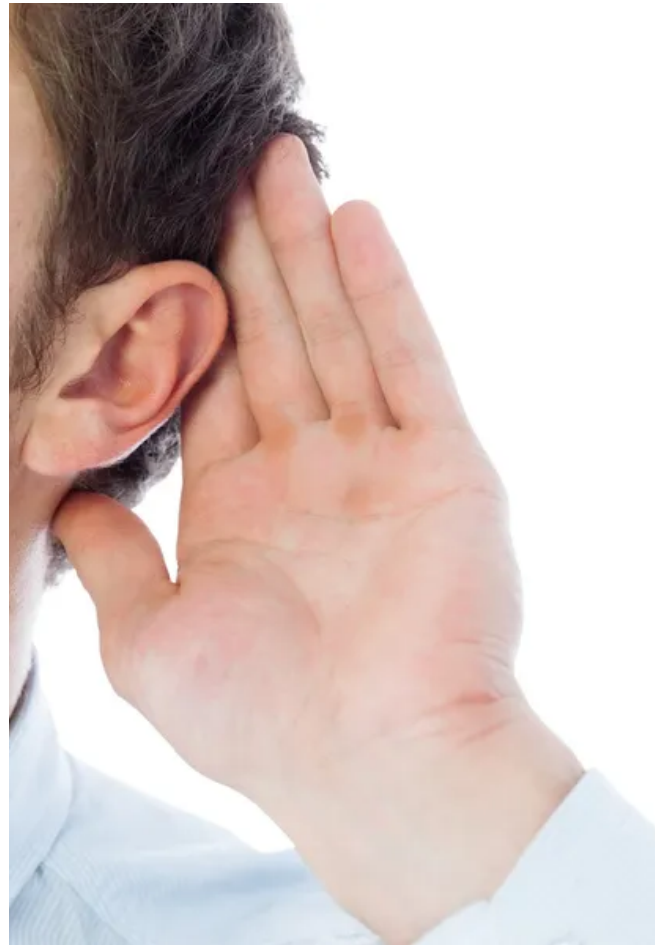

Wisdom is **HEALING** to a person's pain.

Wisdom is the **RIGHT** solution to a problem.

Wisdom is **VICTORY** when there is defeat.

Wisdom is **PROFIT** where there is loss.

Wisdom is **CLARITY** in the presence of confusion.

Wisdom is **ORDER** where there is dysfunction.

Wisdom is **WEALTH** where there is poverty.

Wisdom is **HOPE** when there is despair.

Wisdom is **RESTORATION** where there is brokenness.

Wisdom is **HEALTH** where there is sickness.

Wisdom is **DIRECTION** where there is a lack of vision.

Wisdom is **LIGHT** in the midst of darkness.

**CORRECTION IS A GIFT THAT BRINGS WISDOM!!**
