
SOURCES OF KNOWLEDGE

The value of knowledge cannot be underrated. Knowledge is what opens blind eyes. Knowledge is the light that removes darkness. Knowledge is the first step in making a change.

**IF YOU DO NOT PURUSE KNOWLEDGE IT IS
IMPOSSIBLE TO MOVE FORWARD.**

**My people perish
for the lack of
knowledge.
- Hosea 4:6**

Knowledge is the difference between people who **PERISH** and **PROSPER**. Knowledge is all around us. However, you have to pursue it. It will **NOT** pursue you. Knowledge is

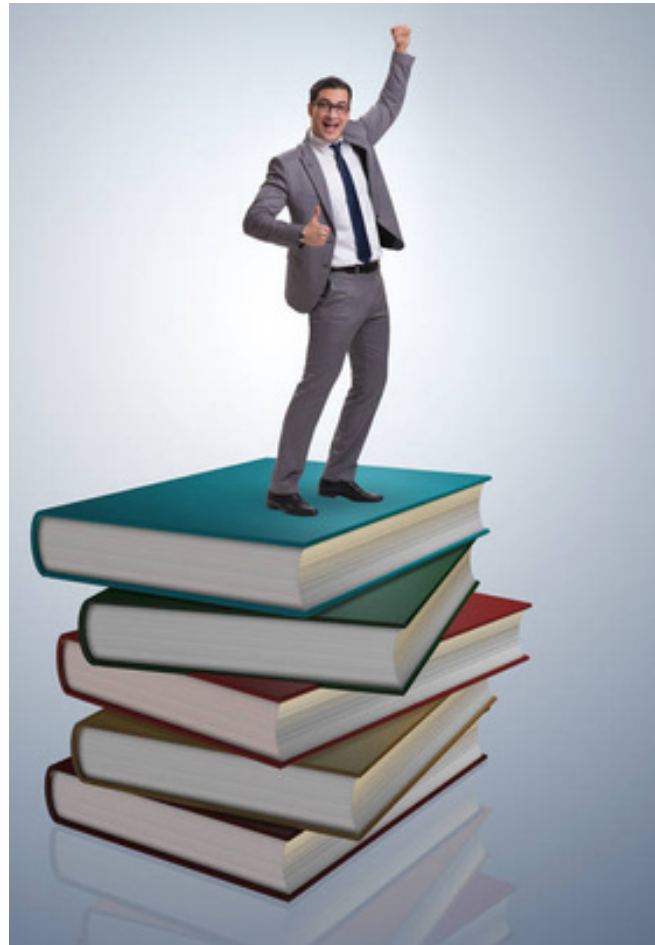

attracted to the people who look for it. If you are waiting for knowledge to come to you, you will remain ignorant.

Books do not open themselves.
Videos do not play themselves.
Mentors do not seek themselves.
Schools do not registrar themselves.
If you do not pursue knowledge it will not pursue you. Knowledge **DISCRIMINATES!** It pours into those who want it and stays away from people who do not want it.

We live in a(n) age where knowledge is beneficial everywhere. Listed below are the most common sources of where you can find knowledge.

Mentors
Mistakes
Experience
Books
Videos
Conferences

All of these resources are great but the most overlooked resource where you can get the best knowledge is the Holy Spirit. He is the **SOURCE** from which all good knowledge comes from. If you don't have the money to attend

conferences, if you don't have the technology to watch videos, the Holy Spirit is a **FREE** resource who never gets tired of teaching.

John 14:26 says, *"But the Helper will teach you everything and will cause you to remember all that I told you. This Helper is the Holy Spirit whom the Father will send in my name."*

Remember this wisdom key: A lack of knowledge will cause you to perish (Hosea 4:6) and having an abundance of knowledge will help you prosper.
