
HONOR TAKES YOU FURTHER THAN ABILITY

I have personally witnessed people who lack skill but mastered honor. People who master honor go **FURTHER** than people who are skillful. In today's age, we focus on becoming skilled while ignoring giving honor.

**HONOR COMES
FROM THE
HEART. SKILL
COMES FROM
THE MIND. -F.H.**

Being skilled is very important but giving honor attracts greater rewards. People who are skilled can do the job

correctly. However, people who extend honor are trusted. People who are skilled are hired. People who give honor are promoted.

People who are skilled will work for kings. People who give honor will stand beside kings. Becoming skilled is an act of the mind. Giving honor is an act of the heart. The optics of a people who are **NOT** skilled in positions of influence is frustrating and bothersome. However, their heart to honor people in authority takes them to great heights.

Romans 13:1-3 says, *"All of you must yield to the government rulers. No one rules unless God has given him the power to rule, and no one rules now without that power from God. So those who are against the government are really against what God has commanded. And they will bring punishment on themselves. Those who do right do not have to fear the rulers; only those who do wrong fear them. Do you want to be unafraid of the rulers? Then do what is right, and they will praise you."*

God takes honor very seriously! There is a consequence for those who choose not to honor and there is praise for those who choose to honor. Which result do you want?

SKILL GETS YOU NOTICED. HONOR GETS YOU EXALTED!
