
LIVE WITH CONFIDENCE

If you lack confidence in any area it is proof that you lack knowledge.

KNOWLEDGE PRODUCES CONFIDENCE. When are knowledgeable about something you speak with authority and walk with assurance. You don't second guess yourself.

There is a certain attitude you have about yourself. The difference between arrogant and confident people is their **BELIEF** in themselves. Arrogant people possess knowledge. However, their attitude to accept correction is horrible.

**Confidence
starts with
believing in
you. - F.H.**

Confident people are different. That's why there is a thin line between arrogance and confidence. By appearance, they look the same but the results are different. Arrogant people will eventually fall in disgrace while confident people will rise in grace. You may be thinking, what's the difference?

The difference is in the willingness to receive **CORRECTION**. No one is always right. No one knows everything. Correction keeps you moving forward in the **RIGHT** direction. Receiving correction expands your knowledge base and increases your confidence!

Arrogant people refuse to listen to anyone else except their own voice. Their unwillingness to listen to wise counsel preps their downfall. Proverbs 16:18 says, "*Pride goeth before destruction, And an haughty spirit before a fall.*" KJV

Confident people are humble. This is the cause of their rise. Mathew 23:12 says, "*Whoever makes himself great will be made humble. Whoever makes himself humble will be made great.*" Confident people are willing to learn so they can grow in knowledge.

God despises people who refuse to learn and accept correction. As long as you keep the posture of receiving correction there is no limit to your growth potential. Be a person who walks in confidence **NOT** arrogance.
