
CIVIL WARS ARE COMING

A civil war is when there is a war between state and state. A civil war is not new in America. It has happened before in the 1800's when the north warred against the South.

We are approaching a time in our lifetime where America will be having civil wars. This may be hard to believe. If you look at our current circumstances and political climate the clues and signs show that we are on the verge of a civil war.

**GET
PREPARED
AND BUILD
YOUR FAITH!**

It is hard to gauge what type of consequences this will bring but we do know that the presence of war creates losses, damage, destruction, chaos, calamity and dysfunction.

Mathew 24:7 says, “*Nations will fight against other nations; kingdoms will fight against other kingdoms. **There will be times when there is no food for people to eat, and there will be earthquakes in different places.***”

When nations go against other nations this is indicative of states going against other states. Unfortunately, there is nothing you can do to stop this because it is prophesied. However, you can **PREPARE** for it.

Start stocking supplies, food, medical supplies and other necessary essentials so you will not lack the essential daily resources you will need. This article is not to scare you, but to **PREPARE** you for what is coming ahead!

YOU DON'T HAVE TO WORRY ABOUT TROUBLE IF YOU ARE PREPARED TO GO THROUGH IT.
