
LIARS ARE DEADLY

Liars are worst than thieves. Thieves take things that can be replaced with time and effort. Liars distort your perception and undermine your reality.

When your perception has been altered, your decision making ability and train of thought becomes inaccurate. Inaccuracy produces wrongful decisions.

**A DISTORTED
PERCEPTION
IS A HURTFUL
REALITY.**

Liars steal more than material possessions. Liars steal the **TRUTH**. When the truth has been taken, you've lost **EVERYTHING**! Liars convince you to believe that enemies are your friends. Liars convince you to believe that they are supporting you when in actuality they are intending to destroy you.

LIARS ARE DEADLY BECAUSE THEY STEAL YOUR TIME!

Time is something you can never get back. You cannot replace it. Giving your time, friendship, information, etc to a liar is something that you will regret. So, to avoid this feeling, **QUALIFY** people who are deserving of your time. If you find out a person is lying about who they **ARE**, remove them from your life.

LIARS COME TO TAKE WHAT YOU CAN NEVER GET BACK...TIME!

Proverbs 12:22 says, *"The Lord hates those who tell lies but is pleased with those who keep their promises."*
