24 inch Business Limestone Block

Corporate logos will be etched into the limestone and then back filled with a black epoxy for a sharp contrast with the tan stone. Sizes are approximate as these are extraordinary stones that were recovered from the historic Seven Arches Bridge in Lockport. Larger sizes are available with higher donations - call for sizes and prices.

Artwork must be provided as a high resolution .TIF file (300 dpi at size) or a vector .eps file.
Send art to ss@ohdms.com Subject Line: Heritage Sponsor

COST: \$2,500

Approximate shape. We will look for stone shapes that best fit your logo design.
