4 Year Old Program

We hope everyone had a fun filled Halloween and we want to thank you for your contributions to our Halloween parties. In November, the children will learn about modes of transportation, the importance of giving thanks, the wonderful Thanksgiving holiday and of course we can't forget about turkeys! Letters Tt, Ii, Uu, and Cc and numbers 3 & 4 will be introduced. Children will have the opportunity to share their family's favorite things during a special project we are doing. We at GNS are so thankful to be spending this wonderful time of year with your children and families!
