Swim Lessons for Water Babies & Children Ages 2-6 (& up)

Dear Parents,

It is time to think about swimming in the pool! We have missed our "old" swimmers and want to meet new swimmers! A whole year has passed since we swam (and sang in the pool!) together and we are looking forward to seeing you again this summer! We will be swimming again at 101 Michelle Circle, off of Doucet Road, across from St. Mary's Church.

We offer water babies' classes (for children under 2 and Mom is in the water with her baby), 2, 3, 4, and 5-year-old classes. All lessons for all ages are a half an hour with a lot of swimming! **Children 6 or older must take private swim lessons.** If your child can run, they will be moving during their first swimming lesson! We have small classes, a loving approach with children, and very experienced teachers. All this adds up to success in the pool with a love and respect for the water! For additional information, feel free to contact Carol Gillespie (337-984-7802) or Jan Cranfield (337-267-1377).

We would love to have you swim with us!
