TESTIMONIES OF THANKS FOR ADORE SEPTEMBER 2026

It was full of God's love, I was brought into the presence of Jesus from beginning to end. Ros Powell has authority in her preaching and blessing. The time of Mass & worship builds me up to be open to what she has to say. Awesome! Thank you from my heart.

It is like meeting up with friends and sharing my love for God with likeminded people

It's always amazing how the different sections and prophecies link together

The witness and talk were very inspiring.

I particularly liked the Mass, the testimony and talk

Variety and adoration particularly

Talks always good

Ros Powell gave a powerful witness as to how the gifts of the Holy Spirit can be used in our everyday lives.

The Mass and the Homily, in particular, were amazing. It was like the Lord was speaking straight to me.

The mass and adoration. The praise was very good too.

I loved the choice of songs and Matt's leading of the praise and worship. This month's testimony was particularly relevant to a recent theme at our prayer group. Ros's talk was very powerful and inspiring.

I absolutely love prayer and praise worship so today was wonderful. I enjoyed the whole event thank you.

Inspirational, encouraging and spirit filled.

Very organised

This is my first time back after a few years and I truly enjoyed it… it was wonderful and very spirit filled

Very well organized

It was all very uplifting

A brilliant winning prayerful format that works so well

I like the way the gifts of the Holy Spirit are used to help people to understand how God works in today's world so that they become a reality not just words you read about in the Bible. It brings our faith alive and active with a whole new depth of understanding.

God always provides beyond expectation.

Karol's testimony. As I use the same stomach medicine, it was a call to forgive once more a person who hurt me very much. I got prayer for this thank you.

Overall it was a good experience. Most of it I had heard many times before, however, a refresher is always good.

Keep this beautiful ministry going. It is so beautiful and a great blessing to all who attend.

Felt blessed and comforted to receive prayer. Didn't feel as foolish/anxious as I expected calling in. Felt encouraged and seen by God, to hear my condition and being prayed for.

TESTIMONIES OF THANKS FOR ADORE SEPTEMBER 2026

It was a special time of Praise with Matt; Karol for testimony; and for Ros who in Christ blessed my soul

Thank you so much! I missed these sessions in the summer but I am so glad to be back. God bless you all and the ADORE TEAM especially.

Thank you, Ros, for inspiring me to be bold to seek out people to pray with no matter who they are, God bless you always

Karol, thank you for sharing. Forgiving someone in person needs humility and God's grace.

Thank you all for a brilliant day as usual; God bless

Amazing meeting today, thank you ALL!

Thank you Ros, I will use 'I am a Christian would you like a prayer' a lot with family and friends. I pray the Lord continues to fan the gifts and sacraments bestowed on me into flames in my daily life.

Thank you Ros for a lovely talk. God bless everyone

Thankyou Alastair and Adore team and all the people on here

Thank you once again for an interesting and inspirational morning's ADORE programme. GOD BLESS all the team!

Thank you for a wonderful morning and God bless you !

I often forget about the sessions but am always prompted by the holy spirit to check the adore website just at the right time: Power of Jesus

You allowed the Lord to speak to us through prophecy and his gifts.

Thank you all at Adore, for keeping us all united in Christ and his message of Divine love for us and the whole world. Great worship, testimony and talk and prayer - powerful as always. God bless all may we all be changed into the brightness and radiance of our Lord, putting into action his love for us and all.

I liked the variety of sessions - all lovely. And hearing from spiritually mature Catholics - sadly so many people nowadays have a very watered down sense of their own faith. It was encouraging to be amongst 'big believers.'

Thank you for an uplifting morning. I intend to make it a regular monthly event in my calendar now. It's just what I need.
