ADoRE 24th October Follow up

Dear Alastair

Thank you if you were able to attend last Saturday's joyful and inspiring ADoRE. Whether you joined us in person or online, we would love to hear your confidential feedback on the meeting, as it will encourage us and help us to plan future meetings. Your replies can be anonymous.

We may use any positive comments you make on our website testimonies page, but will never use your name unless you give us specific permission.

Please give your feedback on the survey form [HERE](#) if you were able to attend either in person or online. We also pass your compliments and positive comments on to our speakers, as they tell us it is really encouraging and uplifting to hear the effect their words have on you.

If you have a more lengthy **testimony** of healing, or other commentary, we would love to receive it. Please email me at adore@altonrenewal.com and say if you want me to share it more widely.
