TESTIMONIES OF THANKS FOR ADORE OCTOBER 2026

That was such a lovely meeting today. We both got a lot out of it. Some lovely music and an inspiring talk by Judith, possibly the best I have heard at ADoRE. It really spoke to me on so many levels. There are so many people to whom I would like to send the video.

A great day. The worship music was wonderful.

Thank you for yesterday everyone – I had such a beautiful day with God among us.

The monthly retreats are inspiring and encouraging…"God wants to heal you because He loves you" stood out; and "magnify the Lord, keep focussed on Him." The talk from Judith was incredible for me …it raised my spirits.

Being made to feel welcome. Good being able to go to Confession easily. None of the sessions too long. Nice singing together.

Early morning mass always gives me an energy boost to start the day.

It was nice and peaceful

Praise and worship

Everything, especially Judith, her talk amazing and I had learned few things from her. Prayer ministry did pray for me.

I particularly enjoyed the Testimony.

Judith's talk was really helpful with lots of practical suggestions for growing in holiness

Everything prayerful and lovely as always

I thought Judith's talk was excellent.

Core team was easily identifiable by lanyards. Made to feel welcome.

Alastair speaks with confidence, warm, outreaching

It was a very positive experience to have prayer ministry in person. I felt encouraged and had a deep sense of peace at the end of the day.

Very grateful for all the organising, monthly sessions thank you

I just want to thank the Team for a blessed day I had. I wasn't sure whilst there what my thoughts were until I got home and realised how beautiful the day was, God didn't reveal to me till then.

Keep this beautiful ministry going.

I was so very grateful to have been able to attend my first in person day of renewal. It was inspiring and I left feeling joyful.

Always uplifted by the Adore meetings

As always it's great to meet the other people attending and catch up with previous acquaintances.

I thought the priest said a very prayerful mass and it was lovely he sang at the beginning of his homily. Geoff's testimony was inspiring and showed the power of Faith. Judith's talk was very down to earth and detailed about her faith journey. The Praise and Worship was lively and I agree with Alstair that it was good to hear everyone singing together. I thought that if one passed by a church and heard this inspiring singing it would draw me and probably draw others in too. Let's have church doors open and lots of praise and worship wafting out for passers by to hear.
